The screenshot shows the homepage of the Learning Sorbian Online website. At the top, there is a navigation bar with language selection buttons: DE, EN, HS, and DS. Below the navigation is a decorative header featuring a blue gradient background with circular icons. The main content area has a white background. On the left, there is a cartoon illustration of two people, one with brown hair and one with orange curly hair, looking surprised. To the right of the illustration, the word "Witaj!" is written in large blue letters, followed by the subtitle "Welcome to Learning Sorbian Online!". Below this, there are two buttons: "Register" and "Log in". A small link "Forgot your password?" is located just below the "Log in" button. In the center, there is a slide-in panel with a blue arrow pointing from the bottom left towards the main content area. The panel contains a smaller illustration of the same two characters in a snowy forest setting, and text explaining the purpose of the website: "You want to learn Upper Sorbian or Lower Sorbian/Wendish because it is important to you. Learning Sorbian Online (SOL) wants to support you in doing so!". At the bottom of the slide-in panel, there is a section titled "What awaits you after the registration?" with a sub-section about dialogues from everyday life. The overall design is clean and modern, with a focus on user engagement through illustrations and clear calls to action.

The screenshot shows a web application interface with a light blue background featuring circular patterns. At the top center is a decorative horizontal bar with colored circles (green, blue, orange, red, teal, red, purple, yellow) and a central blue water drop icon. To the right of the bar is a vertical menu with buttons labeled DE, EN, HS, and DS. In the top left corner, there is a circular icon with three horizontal lines.

The screenshot shows a game interface with a blue-themed background. At the top, there's a navigation bar with a menu icon, a color palette (green, blue, orange, red, white, teal, red, purple, yellow), and language options (DE, HS). Below the bar is a forest scene with two characters standing in front of trees.

The screenshot shows a web-based language learning platform. At the top, there's a decorative banner featuring two cartoon characters in a forest setting. Below the banner, a large heading reads "Du bist hier in Kapitel 1. Weiter mit Kapitelstart.". The interface is organized into several sections:

- Kapitelstart:** A section containing a play button icon and the text "COMIC Kapitelstart".
- Lessons:** A list of six lessons:
 - 1. Lektion:** Einführung in die Schrift und die Laute
 - 2. Lektion:** Familienmitglieder benennen, über den Familienstand sprechen
 - 3. Lektion:** Über Herkunft und Sprachkenntnisse sprechen
 - 4. Lektion:** Sich begrüßen und verabschieden, über den Beruf sprechen
 - 5. Lektion:** das Geschlecht der Substantive; mój, twój, naš; Familiennamen
 - 6. Lektion:** Das Verb być (sein), die Personalpronomen (ja, ty, wón ...)
- Other Features:** Icons for "Test" (pencil), "Lernwortschatz" (book), "Exkursion" (map), and "COMIC Kapitelende".
- Navigation Buttons:** "Kurs" and "Weiter geht's!".
- Language Selection:** DE (Deutsch) and HS (Haus).

The interface is designed with a light blue background and various icons representing different language elements like colors, shapes, and symbols.

The screenshot shows a web-based German language learning application. At the top, there's a green header bar with the title "Marja & Jan. Wopgt ze zašlosće. Besuch aus der Vergangenheit" and "Kapitel 1, Lektion 3". On the right side of the header are buttons for "DE" and "HS". A flower icon with the number "1" is also present. The main content area has a light gray background with a large green polygonal pattern. In the center, there's a white box titled "Buchstabenkette" with the sub-instruction "Namakaj słowa. Finde die Wörter.". Below this, there are three rows of random letters:

- francoscecehłpolscejrvčywbhornjoserbscewńxoptgněms
- ztšpaniscežtkqqjendželscelžjjčescervóhruscemwphćdelnjos
- boněmscěcćuhxtěitalscejóčnruscekkuźqfrancoscelaooněms

At the bottom left, there are two buttons: "Hinweis" (with an exclamation mark icon) and "Überprüfen" (with a checkmark icon). On the bottom right, there's a cartoon illustration of a young girl with curly hair and a headband, pointing towards the text. The browser's developer tools are visible on the right side of the screen, showing the Angular.js console log.
